Fort McHenry National Monument and Historic Shrine

Birthplace of the National Anthem

O say can you see, by the dawns early light, a large red, white and blue banner? Whose broad stripes and bright stars... were so gallantly streaming! over the star-shaped Fort McHenry during the Battle of Baltimore, September 13-14, 1814. The valiant defense of the fort inspired Francis Scott Key to write The Star-Spangled Banner.

An introductory film welcomes visitors to the site of a War of 1812 battle that gave birth to our National Anthem. Tours may need to be scheduled up to 6 months in advance.
